WORK EXPERIENCE

Freelance assistance
acted as a freelance project front-end developer assistant:
- created a few items-cards and stylized them.
- helped with adaptation for all devices.
- validated the project with the relevant services.

PERSONAL PROJECTS

bondarkoff.github.io
- My own fully adaptive responsive crossplatform website-portfolio deployed on github-pages.

React Sneakers Store
- Created a responsive online sneakers store fully on React with a mockAPI backend part deployed on Vercel.

Mirage
- Created a cross platform responsive adaptive website for Creative Agency.

Uber777
- Created a fully responsive cross platform responsive company ad-website for a taxi service.

... all of these projects and much more, you can see on my github or website.
